Dear Peter,

A week after your hilarious performance at our synagogue, congregants are still coming up to me with a huge smile raving about our Comedy Night with you as the featured entertainer!

The most unusual part of your act is that you include all ages with appropriate humor! You made the audience feel comfortable with your jokes as evidenced by uproarious sounds of laughter. You are professional and punctual, which kept our event on schedule- thank you!

I would be pleased to recommend your show to any group, especially since I have seen your performance *twice* and heard all new material at the second show! You are a well-seasoned performer deserving a broad audience. We are fortunate to have a comical performer of your caliber available locally to our organizations.

Please feel free to give my name as a reference.

Wishing you the best!

Dear Peter;

I want to thank you for taking time out of your busy schedule and presenting us with some wonderful entertainment.

Having you at our Holiday luncheon was the best! In today's business world, we all have to take time to laugh, but rarely do. You gave us what we needed most, smiles on our faces. I will sum it up by the statement that our Chairman and Chief Executive Office gave following the party, "this was the best party we ever had".

You made me look like a hero and I thank you very much. We look forward to having you at other Sun Capital and Promise Healthcare events.

Sincerely,
